To enable us to verify your mobile phone number and to validate your registration, please send us a copy of your subscription or of the latest invoice.

If I am the beneficiary of several annuities paid by different pension funds managed by Retraites Populaires, I authorise Retraites Populaires to use the online validation service for life certificate for all institutions. In this way, a single identification is required.

Place and date

Signature

Online life certificate, it's easy!

To access the life certificates on internet, go to the website of your pension fund:

A client number is sent to you by post when your registration in the life certificates validation service on internet has been accepted. This number is requested when you enter your online life certificate.

Certificat de vie

Ce service est réservé aux pensionnés inscrits au service de validation des certificats de vie via internet.
